Craig Ray Custom Homes is your premier design/build custom home builder in West Texas. Building homes in Lubbock's most popular sub-divisions, Craig Ray brings you the freshest designs for interiors and exteriors, ranging from the traditional to the ultra-modern. Our goal is to build your dream home, and it all starts with your own personal vision. We will work with you to make that vision a reality. No home-or budget - is too large or too small. If you're building a custom home in Lubbock, you can trust the professionals in design and construction at Craig Ray Custom Homes. Craig has been in the design/build industry for over 15 years. As an alumni of Texas Tech with an architecture degree in 2004, Craig has been building homes since 2007. Craig has been an active member since 2009.
