*C.J. Hargrove is a third-generation contractor here in Lubbock. He spends his days managing a Sub-contracting company that has worked on projects such as Jones Stadium, The Overton Hotel, The Lubbock County Jail, 40re Golf and many of the other high-profile projects built in Lubbock and the surrounding communities. He is currently involved in projects such as the Buddy Holly Performing Arts Center, Citizens Tower, Cooper middle school, Womble basketball facility and many others. He is married to his wonderful wife Lindsey. During the evenings you can find them chasing around their little one and being active members of several organizations striving to better our community.*
